EXPLANATION OF PROGRAMS.

Aid to Families with Dependent Children (AFDC).

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance -- Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance -- Persons receiving food stamps only.

Foster Care

This table indicates the number of children and the total foster care payments by county of financial responsibility. It includes children placed in foster family home, group home, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC -- Includes all children in care who meet the eligibility requirements for AFDC Ward and Transients.

REG - Includes all other children in placement.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case.
